

Privacy Statement

Saemor Capital B.V. is committed to protect and safeguard the privacy of all visitors to its website ("Website").

We will ensure that our staff and those acting on our behalf obtain, use and disclose personal data conform the principles of the Dutch Data Protection Act ("*Wet bescherming persoonsgegevens*").

Please read the following to understand how we use and protect the information that you provide to us.

Collecting and Processing of Personal Data

When you visit our Website, you may be asked to provide certain information about yourself including your name and contact details. We may also collect information about you from e-mails, letters or any other correspondence between you and us which is necessary to provide our services to you.

We do not seek to collect sensitive personal data (such as data revealing political opinions, religious beliefs or health matters) through the Website. Please do not send any sensitive personal data.

Use and Disclosure of Personal Data

Collected Personal Data allows us to inform and make information available to you, to provide our services to you, to develop web statistics, to optimize the Website and to comply with any mandatory requirement. We will only disclose your data to governmental and regulatory authorities in cases where it is required by law.

Please note that this Privacy Statement does not extend to third party websites that may be accessed via the Website.

Cookies

We may use "cookies"¹ to process and record information concerning your visit to and use of the Website and to enhance your experience of the Website. The Website uses only functional and analytic cookies and no tracking cookies.

The Website uses the cookies to register the behavior of visitors of the site. Data like visiting date and time, the pages that are being requested and links that have been clicked on. This is valuable information for maintaining and improving the contents, structure and lay out of the Website.

You have the option of setting your browser to block "cookies". Please refer to the "help" function of your internet browser for instructions. In some cases blocking "cookies" may reduce the functionality of the Website or prevent access to it depending on your chosen internet browser options.

Security and data retention

To safeguard the confidentiality of your personal data and information contained in this Website, we implement security measures in line with industry standard practices. The web servers are housed behind a secure firewall that prevents access to databases from unauthorized users. All of the servers

¹ "Cookies" are small pieces of information that your internet browser places on your computer's hard drive.

are housed in a secure environment that is protected by physical security, with limited access to authorized staff only. Our staff is obliged to respect confidentiality.

We will retain your information for a reasonable period or as long as the law requires.

Access and Update of Personal Data

You are entitled to see the information held about you and you may ask us to correct the information. If you wish to do this, please contact us.
